Alert No. 19

## **CONSTRUCTION ALERT**

### **Main Library Renovation**

#### **ITEMS OF INTEREST:**

Lane closure and sidewalk closure at McCormick Road ramp where it meets University Avenue on Thursday March 16<sup>th</sup> from **6am to 11am**.

#### **REASON FOR CLOSURE:**

A concrete pump truck will be parked on McCormick Road to place concrete for a new set of steps that will extend from McCormick Road to the Main Library.

**PROJECT BACKGROUND:** The Library has never had a major renovation since it opened in 1938. The Main Library Renovation Project will renovate the historic building including reading rooms, and staff areas. It has demolished the existing stacks and built new stacks on the same footprint. The building will be brought up to modern standards of safety and service. The project will create a major new entrance on the University Avenue side of the building. The project will be fully complete in late 2023.
