Alert No. 13

CONSTRUCTION ALERT CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:

- Emmet Street Saturday Road Closure

DESCRIPTION OF WORK

On Saturday, February 4, Hourigan Construction will perform work to remove scaffolding from the new pedestrian bridge over Emmet Street. For the safety of vehicles and pedestrians, this work requires a full closure of Emmet Street between Thomson and Stadium Roads while overhead work is taking place. The road closure will take place from 7AM-5PM, Saturday, February 4. Advance warning signage will be provided to alert traffic.

BACKGROUND:

The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
