Alert No. 16

CONSTRUCTION ALERT CONTEMPLATIVE COMMONS

ITEMS OF INTEREST:

- Dell walkway closure, School of Education loading dock

DESCRIPTION OF WORK

Hourigan Construction will use the pedestrian walkway to the south of the Contemplative Commons construction site for the delivery of a new trailer on September 19-20. The walkway must be closed to pedestrian traffic during this delivery for the safety of pedestrians. Pedestrian detour signage will be provided. The loading dock at the School of Education will be inaccessible on Wednesday, September 20.

BACKGROUND:

The Contemplative Commons project will add a new 4-story academic building on the site of an existing surface parking lot adjacent to the Dell Pond and School of Education. New pedestrian bridges will create an ADA connection from Newcomb Plaza to the McCormick Rd Dorm area.
