Alert No. 001

CONSTRUCTION ALERT

UVA Manning Institute of Biotechnology (Early Site Enabling Package)

ITEMS OF INTEREST:

- Starting **Monday, 12/11/2023**, the initial project fences will be erected to secure a portion of the existing parking lot to allow for equipment and material storage.
- Visiting patients will not be negatively impacted.
- Access to all buildings will be maintained.

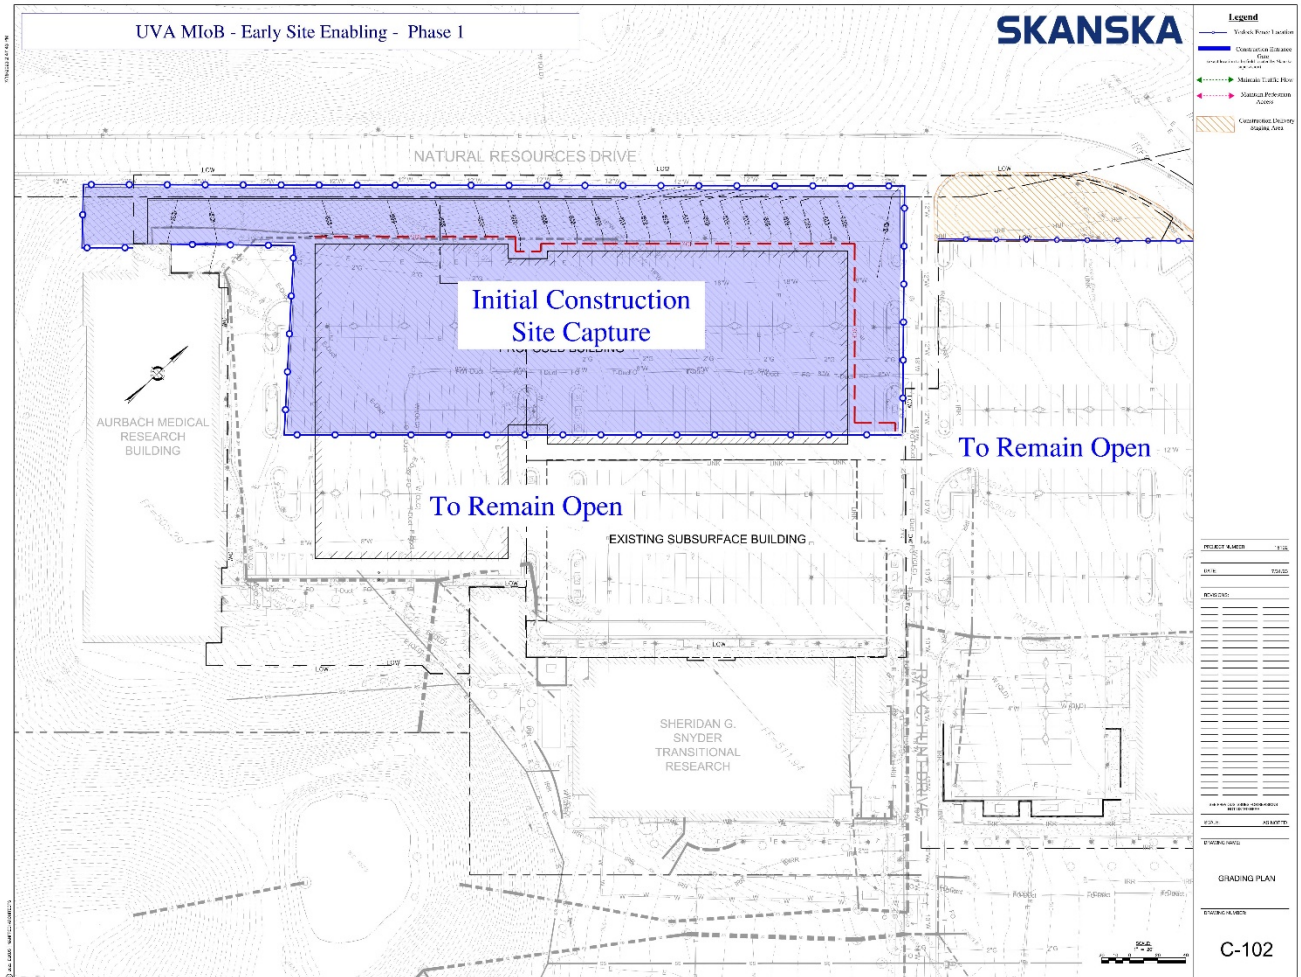

BACKGROUND:

- This early site enabling project will modify and relocate existing utility infrastructure within the site to make way for the start of mass excavation and construction of the Manning Institute of Biotechnology.

ISSUED BY:

- Mashal Hartman, UVA FM – CC&R, ma4g@virginia.edu
