Alert No. 02

CONSTRUCTION ALERT

Central Grounds Accessible Path, Phase 1 (Newcomb South) Monday, May 20th – Fall 2024

BACKGROUND:

The Central Grounds Accessible Path project seeks to expand universal design to foster, enable and empower a more inclusive UVA community.

The new ADA accessible ramp will provide a barrier free route between the Central Grounds Parking Garage and Newcomb Hall. This project is the first of two phases.

PEDESTRIANS:

Pedestrians: A small portion of the Whispering Wall Plaza behind Monroe Hall will be coned off the week of May 20th for construction equipment. See map.

Pedestrians: Fencing will be installed around the project area starting on Monday, May 20th and will remain until Fall 2024. The pedestrian path between the construction area and Newcomb Hall will remain open throughout the duration of this project. See map.
