CONSTRUCTION ALERT

Low Temperature Hot Water (LTHW) Phase 3A

5/20/2024

BACKGROUND:

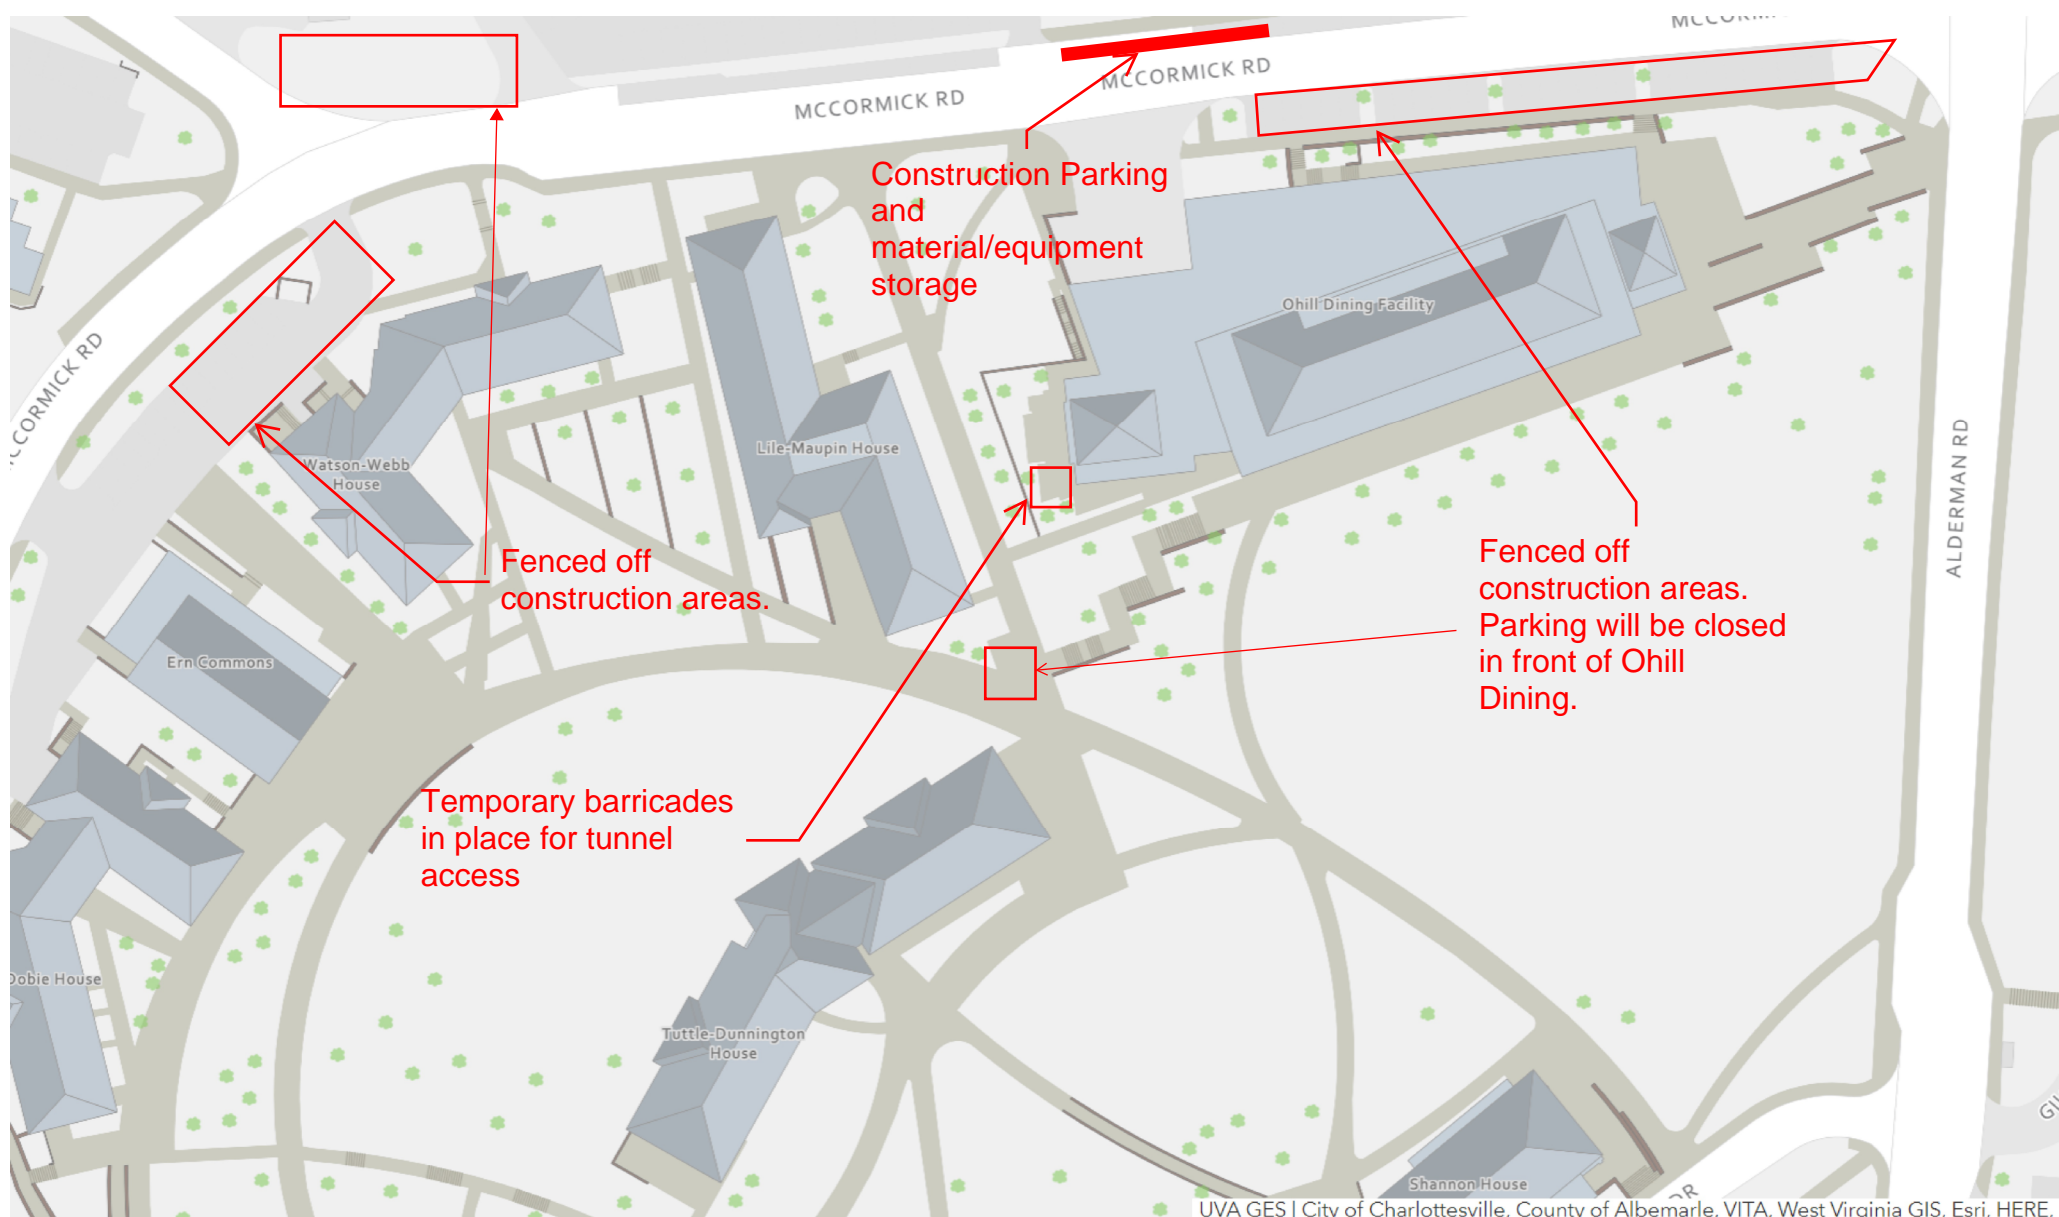

- The Low Temperature Hot Water (LTHW) Conversion Project will be removing steam service from several buildings and providing LTHW as the means of heat.
- Last summer the LTHW utility was expanded across Alderman Road.
- This summer steam services will be removed from the last few buildings that remain on steam west of Alderman Road and LTHW will serve in its place.

ITEMS OF INTEREST:

- The project team will be mobilizing construction areas west of Alderman Road the morning of **Monday 5/20**.
- All parking in front of Ohill Dining will be closed and fencing will be installed around the perimeter of the parking spaces. Parking will re-open no later than **August 15**.
- The area in front of Watson-Webb dorm that was recently demobilized will be fenced off once again.
- A small section of construction fencing will be installed in the sidewalk between Lile-Maupin, Tuttle Dunnington and Ohill Dining.
- See Map Attached.
