I returned my respirator to my supervisor.

By signing below, both the employee and supervisor understand and acknowledge that the listed employee may no longer use respiratory protection above a NIOSH approved filtering facepiece respirator in the workplace as part of the Voluntary Use Agreement (i.e., elastomeric respirators, loose-fitting hoods). If the employee is required to use respiratory protection at a later date, FM-OHS must be contacted to re-enroll the employee into the Respiratory Protection Program.
